YMCA Camp Seymour

Below are the names of campers who received camperships through financial assistance made possible by donations to the Partners for Youth campaign. Camperships are available to youth that may not be able to afford camp fees, allowing them to experience the adventures of Camp Seymour. In addition to making lifelong friends, campers participate in boating, swimming, nature studies, performing & creative arts, campfires and much more. Because of generous donors like you, our youth are given the opportunity to enjoy another wonderful facet of the YMCA of Tacoma-Pierce County.

The following campers want to thank you for helping to make their camping experience possible.
