Drawing 101	Ms. Hale	A- (92)
Excellent work! Brian has a good eye for spacial designs. His assignments have a true depth to them. His shading is very accurate.		
English II	Mrs. Gibson	B (86)
Brian continues to struggle with his english assignments. He continually comes to class unprepared and is unable to discuss the stories that should have been read the night before. He needs to do well on the exam in order to pass the class. He showed a poor performance on his essays for the books he has read for class, The Great Gatsby by F. Scott Fitzgerald, East of Eden by John Steinbeck, and Count of Monte Cristo by Alexander Dumas		
Physical Education I	Miss Bernard	A (95)
A pleasure to have in class.		
Physical Science	Mrs. Jones	B+ (89)
Brian is doing well in Science. He is attentive in class, takes notes, and continually participates in class discussions.		
Spanish I	Mrs. Andrews	A- (92)
Brian has shown improvement this quarter on his work. He has worked hard to pull up his grade and has continually done his homework. His pronunciation of his vocabulary words has improved which in turn has made it easier for him to translate during class. Hopefully this improvement will continue through the exam.		
US History	Mrs. Rivers	A (95)
Effort		+

Citizenship		5
Needs to participate more in class. Brian does not participate in class discussions about the previous night's readings which leads me to believe that he is not spending time completing his homework assignments.
